

IGEday

20 mars 2026

**Don't miss out on
the best day of
the semester!**

Have you ever wondered what an engineer actually does?

On **March 20**, 2026, it's finally time for Introduce a Girl to Engineering Day again! Companies all over Sweden will be ready to open their doors and show you what it means to be an engineer.

Who can participate?

Anyone between the ages of 13 and 19 who identifies as a girl or non-binary person can participate, regardless of where they live. Regardless of the subjects you study or your interest in tech, you're welcome to participate!

How do I sign up?

Registration is open between January 7 and March 4. You can apply and find out which companies are participating on our website, igeday.com.

Psst.. It's free of charge to participate, but the number of spots are limited so sign up today!
