IGEday

16 mars 2027

Is your daughter our next engineering star?

Or do you know someone who could be the next generations engineer?

On **March 16**, 2027, it's finally time for Introduce a Girl to Engineering Day again and we are one of many companies participating. This means we will host a group of girls and between the ages of 13 and 19, and let them try out life as an engineer for a day.

If you know someone you think should join, tell them! Registration is open from 7 January to 25 February on igeday.com.

Psst.. Participation is free of charge, but the spots are limited so make sure the person you think should participate signs up today!
